## The 2011 BTRDA Rally Championship Pumped Re-Fuel Service

2011 will see Vital Equipment Ltd continue its pumped re-fuel service for all competitors wishing to use the high performance Hiperflo Turbo Ultimate.

A competitively priced SUPER UNLEADED fuel will again be available

Allowing Vital Equipment Ltd to supply and deliver your competition fuel you avoid the following:

- Having to carry hazardous goods without required license and safety equipment
- Unnecessary weight in your service vehicles
- Having to dispose of your empty fuel containers
- Potential insurance problem you may incur with carrying hazardous goods

For further information please contact the Vital Equipment Office.
